

MONSTER

DECORA

QUICK START GUIDE

MODEL: MNDECORA-HZL

Before First Use

1 Download the free Monster Zone Control mobile app.

2 Set the Decora's **Time & Date**, by connecting your smart device to the Decora via the Monster Zone Control app, and selecting the **Clock** menu. The Decora will automatically sync the **Time & Date** from your smart device

Power

▪ Press the **POWER** button to turn **ON**. (Press)

▪ Hold the **POWER** button for ~3 seconds to set to **STAND-BY**. (Hold)

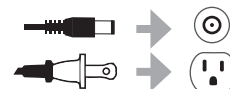

Monster Zone Control App

Using the **FREE** mobile app, you can make adjustments on the fly to the Decora's settings and functions – all from your smart device.

Charging

▪ Connect the speaker to an external power source using the included 12V power adapter.

Bluetooth Pairing

1 Place your mobile device within 3 feet of the speaker.

2 Press the **SOURCE** button to set the speaker to Bluetooth mode.

(Press)

SOURCE

3 Press and hold the **BT/PLAY/PAUSE** button to set the speaker to pairing mode.

(Hold)

4 Choose "**Monster Decora**" on your device to pair with the speaker.

~30 feet max Bluetooth range after pairing.

Moving devices out of this range or placing walls/objects between devices may cause disruption or signal loss.

For full detailed instructions, please refer to the user manual.
